

***Boston Blue cheesecake**

A swirl of delicious blueberry puree infused into the various layers of soft, fresh cheesecake and topped with more blueberries for an overdose of taste. Everyone is going to want a second serving.

***Creamy Blackcurrant mocha**

Sweet blackcurrant syrup, a creamy body, milky base and light notes of caramel syrup to finish it off. This is made for the hardcore.

***Greenberg sweets**

A balance of sweet and sour to throw you off your balance. Citrus and fruit flavored candies to refresh you. It is sharp and will keep you awake.

***Power berry strike**

The delicious taste and the smell! The seamless combo of various berries. This will supercharge you in an instant.
